

REMARK

The specification has been amended to clarify the priority information and to insert SEQ ID NOs:34-64 and the sequence listing. Applicants also submit a sheet of drawings including Fig. 1 and Fig. 2. Both Fig. 1 and Fig. 2 are identical to the drawings filed in U.S. Patent Application No. 09/689,486, of which the instant application is a continuation application. Applicants submit that the above amendments add no new matter.

CONCLUSION

Applicants respectfully request that the amendments and remarks made herein be entered and made of record in the file history of the present application. Applicants respectfully submit that the pending claims are in condition for allowance. If there are any questions regarding these amendments and remarks, the Examiner is encouraged to contact the undersigned at the telephone number provided below.

Applicants believe that no fee is required. However, if any fee is determined to be due, Commissioner for Patent is authorized to charge to Deposit Account No. 502684, reference number Cura 85 CON.
